

# LIVE FOR HUMANITY FOUNDATION CANADA

Live for Humanity Foundation is a Calgary based non-profit, and non-political organization focused on economic independence and empowerment of fellow Albertans by providing professional guidance through advocacy and education helping them deal with various social & community issues to enhance their dignity and quality of life.

## PROJECTS:

### WOMEN EMPOWERMENT

Advocacy campaigns and other community initiatives through door knocking, seminars and workshops to raise awareness among women regarding importance of employment or small business ventures.

### COMMUNITY ISSUES

Increase personal and professional awareness of various social and community issues including drug addiction, racism-hate based crimes, domestic violence, etc. Work with affected parties to make them aware of available community and government resources.

### CULTURAL DIVERSITY

Host cultural events inviting people from various backgrounds and cultures to showcase their culture and promote heritage. Such events will support the social well-being of Alberta communities at large.

### ALLEVIATE GLOBAL POVERTY

Through local partners works closely in remote rural areas in South Asia to perform a need analysis, impact on society, and then execute projects to help families get out of poverty.
